Vintage 2018

After 2017 with heavy frosts, **2018 was an exceptional year, generous and very qualitative**, on all the different appellations of the Jura.

A full month of harvest, never seen!

They started on August 28th and finished on September 25th 2018 under a beautiful sun! The harvest being **100% manual**, about 90 pickers selected the best grapes, following precise instructions.

These wines still maturing are concentrated, well balanced and already taste very well!

Discover our first 2018 vintages:
